

TEAM CONTACT INFORMATION

TO PARENT/GUARDIAN and ATHLETE:

In order to notify families and athletes of meetings, events, and changes in schedule during the season, it is very important for coaches to have reliable contact information for both parents/guardians and athletes.

In providing the information below, please note which email addresses and/or phone numbers are the best to use, and let the coach/team manager know if there are any changes during the season:

ATHLETE NAME: _____

Email: _____

Phone(s): _____
(note if cell#)

PARENT(S)/GUARDIAN(S) NAME(S):

Email: _____

Phone(s): _____
(note if cell#, home, work)

Note to coaches: Retain this form for team roster. If athlete participated in a BHS sport earlier this school year and does not need to complete an athletic packet, she/he should be given this form alone to complete and return to coach/team manager. Kristin Glenchur has additional copies.
